

January 8, 2008

Dear Valued Client,

In order to provide you with better service and more resources for patient care management we would like to remind you that ABC Labs provides biopsy results within two (2)* business days. We hope that you will take advantage of our speedy, convenient and reliable services. Thank you again for your continuous support.

Sincerely,

American Bio-Clinical Laboratories
Helping People for Better Health

*Cases which require special stains and/or recuts may take longer
